

My dear Christians Friends,

Dr. H. T. Sangliana, Vice Chairman for National Commission for Minorities (NCM) has sent a message to inform all Christian brethren that all the Christian related matters for NCM have to pass through his table.

Below is the message given by Dr. Sangliana:

All Christian Brothers and Sisters, where ever you are, kindly note that it has been decided in the NCM to assign all Christian related matters needing attention and assistance from the National Commission For Minorities to me and all such matters have to pass through my table.

Problems like site for graveyard, vandalism and atrocities against Churches and Christians etc have been taken cognizance of at the NCM as and when brought to my notice or read in the news papers.

I am sure there are many incidents which have not been reported to or brought to the notice of the NCM. Here at NCM we issue notice/summons to state governments and call for Action Taken Report(ATR) with regards to safety and security to Minorities and we have solved problems in good number of cases.

Kindly contact me at office

Land line Phone: 011-24690809
